

COMPANY PROFILE

Millions of Miles, Millions of Smiles

ABOUT COMPANY

Established in 2011, TRANS FAST Group of Companies is one of the leading international End to End Logistics service provider, delivering cost-effective solutions throughout Asia. We have developed comprehensive Logistics Solution plans tailored to meet specific requirements of customers keeping in view all the minor details and complexities. This is accomplished by learning customer's exact objectives concerning their internal and external requirements, thus ensuring that we provide quality services more consistently than any other service provider in the market.

Our tried and proven multimodal transportation routes to the CIS and Middle East ensure international reach whatever your cargo and timeframe is. As a logistics company covering all modes of transportation, Trans Fast is well positioned to support your diverse shipping and supply chain needs.

VALUES

"We set the standards others try to live up to"

We strive to perform with solid commitment to Integrity, Honesty, Transparency, Creativity with Respect for All.

VISION

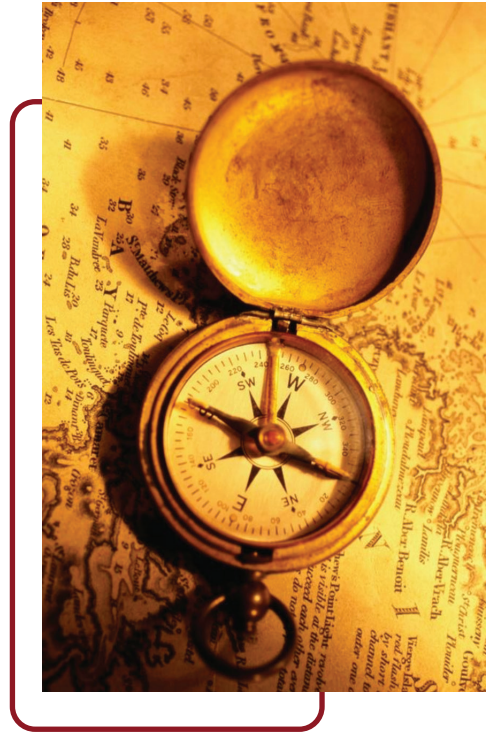

Our vision is to become a Global Leader in Shipping and Logistics. To be recognized as the expert in logistic services with top-notch Customer Service by:

- Being our customers' first choice
